Education

Bachelor of Technology (CSE) - 7.43 Oct 2022 - May 2025
Kakatiya Institute of Technology and Science, Warangal

Diploma (CME) - 8.97 June 2019 - May 2022
Government Polytechinc

10th - 9.7 June 2018 - Apr 2019
Bala Jyothi High School

Projects

Hand Gesture Recognition ⬈ Jun 2021 - Dec 2021
- As a team of eight, we designed a robust hand gesture recognition model using Convolutional Neural Networks (CNN) and advanced image processing techniques to enable accurate, real-time gesture classification for seamless user interactions.

Movie Recommender System ⬈ Jun 2023 - Dec 2023
- In a team of two, we built a Python-based movie recommendation website with a user-friendly interface, showcasing top movies with images and titles.

Amazon Price Tracker ⬈ Jun 2024 - Present
- Developing a responsive web application to track Amazon prices with database management, user authentication, environment-based configuration, and email alerts for price drops.
